SLR-106U/UR (SLR106-60) 5.56x45mm

The **SLR-106-60** is a Bulgarian made, stamped receiver pistol in a 5.56x45mm NATO caliber. It has a chrome lined hammer forged barrel with short gas system, front sight block / gas block combination and new style Muzzle Brake/Compensator designed to reduce recoil (threaded on barrel). The furniture consists of black polymer furniture now with Sig Sauer's SB15 pistol stabilizing brace. This pistol includes US made anti-slap double stage trigger group by Arsenal, Inc. for increased accuracy and predictability. Ships with sling, oil bottle, and cleaning kit, one 5-round and one 20-round mil-spec Bulgarian Arsenal magazine.

- Removable muzzle break
- New style Muzzle Brake/Compensator designed to reduce recoil (threaded on barrel) – designed for Semi-Auto only
- Sig Sauer's SB15 pistol stabilizing brace
  - Brace sits on the receiver extension, and the flexible cuff with two adjustable nylon straps allows the brace to be custom fit to any user by attaching to the forearm.
  - Receiver extension has a water proof storage compartment with a sealing threaded cap. It is accessible when the brace is removed or pushed all the way forward.
  - This product has been reviewed by the BATFE and was determined that it does not alter the classification of the firearm or subject the firearm to NFA control.
  - Sig Sauer donates $3 of every SB15 sold to support the veterans of HAVA.

- Short gas system, front sight block / gas block combination.
- Hammer forged chrome lined barrel
- 500m rear sight
- US made anti-slap double stage trigger group by Arsenal, Inc.
- Stamped receiver
- Mil-spec double stack mag
- Accepts all standard mil-spec mags
- Not a parts kit pistol
- Ammo is readily available on the market
- Easy to clean and maintain
- Mil. Surplus (Corrosive) ammo is ok due to chrome lining
- Hinged dust cover
- 922(r) compliant
- Limited Manufacturer's 1 year Warranty from date of retail purchase
